Education

Bachelor of Engineering

Silver Oak University

HSC

Edunova Institute

SSC

Nalanda Vidhyalaya

Interest

LIstening Music

Cricket

Travelling

Skills & Expertise

Programming Languages : Html,Css, Javascript(ES6),C,C++

Databases : Sql,Mongodb,Mongoose

Frameworks & Libraries: React JS,Node JS,Bootstrap,Jquery,Tailwind Css

Software : Github.

Professional Development

Tops Technologies

- I completed a comprehensive MERN Stack development course at Tops Technologies, guided by experienced professionals. I successfully built various projects, gaining hands-on experience with technologies like React, Node.js, Express, and MongoDB.

Royal Technosoft

- During my 4-month internship at Royal Technosoft, I developed a Doctor Appointment System using the MERN stack.

- This project enhanced my skills in front-end and back-end development, focusing on CRUD operations and creating a user-friendly, responsive platform for scheduling and managing appointments.

Demaze Technologies

- At Demaze Technologies, I completed a 15-day summer internship where I developed a personal portfolio website, improving my skills in HTML, CSS, and JavaScript in a real-world environment.

Language

Hindi

English

Gujarati

Extra Activities

- During college,I balanced my time between cricket tournament where I honed teamwork and discipline, and engaging in meaningful social work.

- I also showcased my passion for technology and program solving by participating in the techno quiz event in my college
